

# BRICON

NOW THE UK MARKET LEADER  
FOR ELECTRONIC TIMING SYSTEMS  
UK ORDER FORM - JANUARY 2009  
Contact Adie McCormick on 078 3590 9877

A Bricon pack contains everything needed for a loft to be equipped and fully ready for electronic timing. Rings are the only additionally required item with the choice of the traditional classic ring or the new clip ring. Optional items that you may add to your Speedy system including the Bricon Plus and extra antenna pads.
